**LONG VEST**

Adding a signature piece like this long line vest with contrasting pockets is a great way to bring Basics alive. A must have for a Mum with style.

**BUST SUPPORT**

Wide, adjustable straps with a cut that sits higher under the bust. Coverage & support is assured.

**CRES FABRIC**

Chlorine is the enemy of regular swimsuits. A CRES or Chlorine Resistant swimsuit is made from fabric that is pool tough.

**BUST SUPPORT**

Many CRES swimsuits don't have bust support. Ours do. All have shelf bras and some with underwire in the cup too.

**COVERAGE & COMFORT**

No creeping up here! With mid to low rise leg styles there is good butt coverage to help keep things in place.
